

DISCLAIMER

The attention of the Nigerian Ports Authority has been drawn to the activities of criminal elements misleading and defrauding unsuspecting members of the public in connection with a purported recruitment exercise, and wishes to state as follows:

1. The electronic mail with the title "Recruitment Invitation" being circulated purportedly inviting candidates for a recruitment exercise is fake and did not emanate from the Authority.
2. Invitations bordering on recruitment are signed by the General Manager Human Resources and not by the Managing Director as cited in the blatantly mischievous mail.
3. The recruitment process of the Nigerian Ports Authority is governed by the public service employment guidelines and does NOT involve any form of payments.

This is to reiterate that ALL correspondence of the Authority shall be through duly authorized channels and can be verified on our real time interactive website (www.nigerianports.gov.ng) accordingly.

Signed:
Management.
